

East Buchanan C-1 School District  
1:1 Program for Grades 6-12

Dear Parents,

We've had another successful year with our 1:1 program and I wanted to let everyone know about our plans for the 1:1 program for the upcoming 2023-2024 school year for students in grades 6-12. **Please remind your students to always carry their laptop in the provided laptop bag & NOT inside of their backpack(even with the laptop in its bag).**

It is our hope and intention to make this yearly process as painless as possible for everyone involved. That being said, you can find the details for the 1:1 Laptop distribution schedule for your student(s), on the back of this letter.

Guidelines:

- ★ If the 2023-2024 school year will be the first year for your student to receive a District assigned laptop:
  - A Parent/Guardian, and the student, **WILL** need to attend a 1:1 Laptop distribution meeting this August (even if the parent has attended before with a different student).
  - A Parent/Guardian, and the student, **WILL** need to sign paperwork before picking up their assigned laptop.
  - A Parent/Guardian **WILL** need to decide whether or not they wish to enroll into the District **LPP (Laptop Protection Program)**. Full details about this program will be given during the 1:1 Laptop Program meeting.
  
- ★ If your student had a District assigned laptop during the 2022-2023 school year:
  - You do **NOT** have to attend a distribution meeting this August for that student. You are welcome to come if you would like.
  - You do **NOT** have to sign any new paperwork for the laptop for that student. We still have the paperwork on file from last year so there is no need to go through all of that again.
  - You do **NOT** have to be present when your child picks up his/her laptop.
  - You **DO** need to elect whether you want to enroll in the optional **Laptop Protection Plan (LPP)**. If you plan to just let your student pick up their laptop on their designated date and time, and wish to enroll in the **LPP** for the 2023-2024 school year, I would encourage you to pay by check so that no cash is lost in this process. The premium for the optional **LPP** will be **\$35.00 per year if paid all at once**, or \$20.00 per semester. There is a \$100.00 per family premium cap for those families with three or more students enrolling into the LPP. \*\*\*Students who qualify for the Free/Reduced Lunch Program are automatically enrolled in the **LPP** free of charge, but are still responsible for any Claim Deductibles, or other charges resulting from damage to their laptop.
  - Please Make checks payable to: **East Buchanan LPP** or **EB LPP** . Please include the student's name in the Memo area on the check. Receipts will be given that reflect the option selected, 'Opt In' or 'Opt Out', regardless of choice.

If the 2023-2024 school year will be the first time your student has received a District assigned laptop, a Parent/Guardian and the student, MUST attend one(1) of the “**1:1 Laptop Program Meeting - Paperwork Only**” meetings before they can receive their laptop.
