2022 BENEFITS OVERVIEW

WELCOME TO THE 2022 BENEFITS OPEN ENROLLMENT

The East Buchanan C-1 School District annual insurance open enrollment period is about to begin.

We recognize the importance of benefits within the overall compensation package provided to all of our eligible employees. This year when we reviewed our employee benefits options, we focused not only on providing quality medical plans but also on controlling the cost and financial risk for our employees. We offer multiple options to meet the individual needs of our employees and their dependents.

In this booklet, you'll find easy-to-understand instructions to help you make your benefit decisions.

As always, we value you as a member of the East Buchanan C-1 School District family and look forward to a healthy and safe year.

NOT SURE HOW TO GET STARTED? DON'T WORRY!

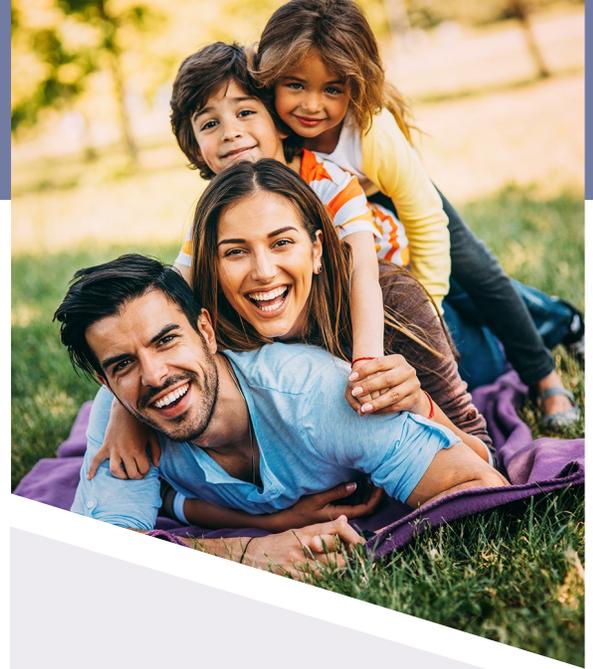

Outside of Open Enrollment, you may not make any changes to your plans without a Qualifying Life Event (QLE) which grants you a special enrollment period. If you experience a QLE, you only have 30 days to notify HR that you would like to make a change to your benefits.

Some common QLE's include:

- ✓ You experience an involuntary loss of coverage
- ✓ Your employment or your spouse's employment terminates
- ✓ The hours you or your spouse work are reduced
- ✓ Birth, Adoption, Guardianship
- ✓ Marriage, divorce, annulment or legal separation
- ✓ Death of the employee, spouse or eligible dependent

TIP

REMEMBER! Open enrollment is the one time of year you can make any adjustments you'd like for the upcoming plan year.

MEDICAL INSURANCE

YOUR HEALTH PLAN OPTIONS

As a full-time employee of East Buchanan C-1 School District, you have the choice between **three** medical plan options: two HSA plans and a PPO plan.

For each, your deductible will run from JANUARY 1 – DECEMBER 31.

While all plans give you the option of using out-of-network providers, you can save money by using in-network providers because Cigna has negotiated significant discounts with them. If you choose to go out-of-network, you'll be responsible for the difference between the actual charge and Cigna's UCR (Usual, Customary and Reasonable) charge, plus your out-of-network deductible and coinsurance.

Both the \$5,000 HSA (Base Plan) and the \$3,500 HSA (Buy-Up Plan) offer you significantly lower premiums than the \$4,000 PPO plan, and you can establish a Health Savings Account (HSA) with Nodaway Valley Bank and contribute all or part of the premium savings into the HSA. These funds can be used to cover medical expenses, including deductibles, and they're yours forever – even if you leave East Buchanan C-1 School District. And unlike a Flexible Spending Account (FSA), they are not forfeited at the end of each year.

TIP Get the most out of your insurance by using in-network providers.

CARE OPTIONS & WHEN TO USE THEM

YOUR CARE OPTIONS

While we recommend that you seek routine medical care from your primary care physician whenever possible, there are alternatives available to you. Services may vary, so it's a good idea to visit the care provider's website. Be sure to check that the facility is in-network by calling the toll-free number on the back of your medical ID card, or by visiting www.cigna.com.

PRIMARY CARE

- Routine, primary/preventive care
- Non-urgent treatment
- Chronic disease management

For routine, primary/ preventive care or non-urgent treatment, we recommend going to your doctor's office. Your doctor knows you and your health history and has access to your medical records. You may also pay the least amount out of pocket.

TELEHEALTH/VIRTUAL VISITS

- Cold/flu
- Vomiting
- Fever
- Rash
- Sinus problems

MDLive lets you see and talk to a doctor from your mobile device or computer without an appointment to bring you care from the comfort and convenience of your home or wherever you are. *If you aren't sure what type of care you need, you can call a nurse 24/7 at 855-673-3063.*

CONVENIENCE CARE

- Common infections (ear infections, pink eye, strep throat & bronchitis)
- Flu shots
- Pregnancy tests
- Vaccines
- Rashes
- Screenings

These providers are a good alternative when you are not able to get to your doctor's office and your condition is not urgent or an emergency. They are often located in malls or retail stores (such as CVS Caremark, Walgreens, Wal-Mart and Target), and generally serve patients 18 months of age or older without an appointment. Services may be provided at a lower out-of-pocket cost than an urgent care center.

URGENT CARE

- Sprains
- Small cuts
- Strains
- Minor infections
- Sore throats
- Mild asthma attacks
- Back pain or strains

Sometimes you need medical care fast, but a trip to the emergency room may not be necessary. During office hours, you may be able to go to your doctor's office. Outside regular office hours – or if you can't be seen by your doctor immediately – you may consider going to an Urgent Care Center where you can generally be treated for many minor medical problems faster than at an emergency room.

EMERGENCY ROOM

- Heavy bleeding
- Large open wounds
- Chest pain
- Spinal injuries
- Difficulty breathing
- Major burns
- Severe head injuries

An emergency medical condition is any condition (including severe pain) which you believe that, without immediate medical care, may result in serious injury or is life threatening. Emergency services are always considered in-network. If you receive treatment for an emergency in a non-network facility, you may be transferred to an in-network facility once your condition has been stabilized.

If you believe you are experiencing a medical emergency, go to the nearest emergency room or call 9-1-1, even if your symptoms are not described here.

HEALTH SAVINGS ACCOUNT (HSA)

UNDERSTANDING A HEALTH SAVINGS ACCOUNT (HSA)

THERE ARE TWO WAYS YOU CAN PUT MONEY INTO YOUR HSA:

- Regular payroll deductions on a pre-tax basis, and
- Lump-sum contributions of any amount, anytime, up to the maximum limit.

WHAT IS AN HSA?

A savings account where you can either direct pre-tax payroll deductions or deposit money to be used to pay for current or future qualified medical expenses for you and/or your dependents. Once money goes into the account, it's yours to keep – the HSA is owned by you, just like a personal checking or savings account.

THE HSA CAN ALSO BE AN INVESTMENT OPPORTUNITY.

Depending upon your HSA account balance, your account can grow tax-free in an investment of your choice (like an interest-bearing savings account, a money market account, a wide variety of mutual funds – or all three). Of course, your funds are always available if you need them for qualified health care expenses.

YOUR FUNDS CAN CARRY OVER AND EVEN GROW OVER TIME.

The money always belongs to you, even if you leave the company, and unused funds carry over from year to year. You never have to worry about losing your money. That means if you don't use a lot of health care services now, your HSA funds will be there if you need them in the future – even after retirement.

HSA FUNDS CAN BE USED FOR YOUR FAMILY.

You can use your HSA for your spouse and tax dependents for their eligible expenses – even if they're not covered by your medical plan.

EMPLOYER CONTRIBUTION

If you enroll in the \$5,000 HSA (Base Plan), East Buchanan C-1 School District will contribute \$24.85 per month into your HSA Account!

Please take this into consideration with the annual maximums.

Contribute up to \$3,650 Single,
or \$7,300 Family

WHAT ARE THE RULES?

- You must be covered under a Qualified High Deductible Health plan (QHDHP) in order to establish an HSA.
- You cannot establish an HSA if you or your spouse also have a medical FSA, unless it is a Limited Purpose FSA.
- You cannot be enrolled in Medicare or TRICARE due to age or disability.
- You cannot set up an HSA if you have insurance coverage under another plan, for example your spouse's employer, unless that secondary coverage is also a qualified high deductible health plan.
- You cannot be claimed as a dependent under someone else's tax return.

WHAT ELSE SHOULD I KNOW?

- You can invest up to the IRS's annual contribution limit. Contributions are based on a calendar year. The contribution limits for 2022 are \$3,650 for Single and \$7,300 for Family coverage. If you're age 55 or older, you are allowed to make extra contributions each year.
- The contributions grow tax-free and come out tax-free as long as you utilize the funds for approved services based on the IRS Publication 502, (medical, dental, vision expenses and over-the-counter medications with a physician's prescription).
- Your unused contributions roll over from year to year and can be taken with you if you leave your current job.
- If you use the money for non-qualified expenses, then the money becomes taxable and subject to a 20% excise tax penalty (like in an IRA account).
- There is no penalty for distributions following death, disability (as defined in IRC 72), or attainment of Medicare eligibility age, but taxes would apply for non-qualified distributions.
- If your healthcare expenses are more than your HSA balance, you need to pay the remaining cost another way, such as a credit card or personal check. But save your receipts in case you are ever audited! You can request reimbursement later, after you have accumulated more money in your account.

HEALTH SAVINGS ACCOUNT (HSA)

YOU CAN USE HSA FUNDS FOR IRS-APPROVED ITEMS SUCH AS:

- Doctor's office visits
- Dental services
- Eye exams, eyeglasses, laser surgery, contact lenses and solution
- Hearing aids
- Orthodontia, dental cleanings, and fillings
- Prescription drugs and some over-the-counter medications (with a physician's prescription)
- Physical therapy, speech therapy, and chiropractic expenses

More information about approved items, plus additional details about the HSA, is available at [irs.gov](https://www.irs.gov).

Every time you use your HSA, save your receipt in case the IRS asks you to prove your claim was for a qualified expense. If you use HSA funds for a non-qualified expense, you will pay tax and a penalty on those funds.

The HSA is your personal account and contains your personal funds. It can be considered an asset by a creditor and garnished as applicable.

As an HSA account holder, you will be required to file a Form 8889 with the IRS each year. This form identifies any contributions, distributions, or earned interest associated with your account.

THIS MAY BE THE BEST PLAN OPTION FOR YOU IF ANY OF THE FOLLOWING IS TRUE:

- You do not incur a lot of medical and prescription medication expenses.
- You would like money in a savings account to pay for Qualified Expenses permitted under Federal Law.
- You would like the opportunity to contribute pre-tax income to a Health Savings Account.

FREQUENTLY ASKED QUESTIONS

WHAT WILL I PAY AT THE PHARMACY WITH THE HSA QUALIFIED PLAN OPTIONS?

You will pay the actual discounted cost of the drug until you satisfy your calendar year deductible in full.

WHAT WILL I PAY AT THE PHYSICIAN'S OFFICE WITH THE HSA QUALIFIED PLAN?

You'll provide your ID card at the time of the visit and the physician's office will submit the claim to Cigna.

You will not owe anything at the time of the visit. Later you'll receive an Explanation of Benefits (EOB) from Cigna that shows the charges discounted based on their contract with the physician. When you receive a bill from the physician's office, you pay the portion of the discounted cost you are responsible for as shown on the EOB.

WHERE CAN I GET A COPY OF AN EOB?

You can access all of your EOB information, as well as obtain other important information, by logging on to www.cigna.com.

GLOSSARY OF TERMS

INSURANCE TERMS

Coinsurance—The plan’s share of the cost of covered services which is calculated as a percentage of the allowed amount. This percentage is applied after the deductible has been met. You pay any remaining percentage of the cost until the out-of-pocket maximum is met. Coinsurance percentages will be different between in-network and non-network services.

Copays—A fixed amount you pay for a covered health care service. Copays can apply to office visits, urgent care or emergency room services. Copays will not satisfy any part of the deductible. Copays should not apply to any preventive services.

Deductible—The amount of money you pay before services are covered. Services subject to the deductible will not be covered until it has been fully met. It does not apply to any preventive services, as required under the Affordable Care Act.

Lifetime Benefit Maximum—All plans are required to have an unlimited lifetime maximum.

Network Provider—A provider who has a contract with your health insurer or plan to provide services at set fees. These contracted fees are usually lower than the provider’s normal fees for services.

Out-of-pocket Maximum—The most you will pay during a set period of time before your health insurance begins to pay 100% of the allowed amount. The deductible, coinsurance and copays are included in the out-of-pocket maximum.

Preauthorization—A process by your health insurer or plan to determine if any service, treatment plan, prescription drug or durable medical equipment is medically necessary. This is sometimes called prior authorization, prior approval or precertification.

UCR (Usual, Customary and Reasonable)—The amount paid for medical services in a geographic area based on what providers in the area usually charge for the same or similar service.

MEDICAL TERMS

Prescription Drugs—Each plan offers its own unique prescription drug program. Specific copays apply to each tier and a medical plan can have one to five separate tiers. The retail pharmacy benefit offers a 30-day supply. Mail order prescriptions provide up to a 90-day supply. Sometimes the deductible must be satisfied before copays are applied.

Urgent Care—Care for an illness, injury or condition serious enough that a reasonable person would seek immediate care, but not so severe to require emergency room care.

Emergency Room—Services you receive from a hospital for any serious condition requiring immediate care.

Preventive Services—All services coded as Preventive must be covered 100% without a deductible, coinsurance or copayments.

Medically Necessary—Health care services or supplies needed to prevent, diagnose or treat an illness, injury, condition, disease or its symptoms, which meet accepted standards of medicine.

IMPORTANT NOTICES

MEDICARE PART D CREDITABLE COVERAGE

Important Notice from East Buchanan C-1 School District About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with East Buchanan C-1 School District and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. East Buchanan C-1 School District has determined that the prescription drug coverage offered by the Cigna health plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current East Buchanan C-1 School District coverage **may** be affected. You can keep this coverage if you elect Part D and this plan will coordinate with Part D coverage. If you do decide to join a Medicare drug plan and drop the East Buchanan C-1 School District medical plan, **be aware that you and your dependents may not be able to get this coverage back.**

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with East Buchanan C-1 School District and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

IMPORTANT NOTICES

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person listed below for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through East Buchanan C-1 School District changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

MEDICAID CHIP NOTICE

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2021. Contact your State for more information on eligibility –

WOMEN'S HEALTH & CANCER RIGHTS ACT OF 1998

If you have had, or are going to have, a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed.
- Surgery and reconstruction of the other breast to produce a symmetrical appearance.
- Prosthesis.
- Treatment of physical complications at all stages of the mastectomy, including lymphedemas.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. If you would like more information on WHCRA benefits, please contact Beth Carr at 816-424-6466.

IMPORTANT INFORMATION REGARDING 1095 FORMS

As an employer with 50 or more full-time employees, we are required to provide 1095-C forms to each employee who was employed as a full-time employee for at least one month during the calendar year, without regard to whether he/she was covered by our group health plan. These employees should expect to receive their Form 1095-C in early March 2022. We are also required to send a copy of your 1095-C form to the IRS.

The information reported on Form 1095-C is used in determining whether an employer owes a payment under the employer shared responsibility provisions under section 4980H. Form 1095-C is also used by you and the IRS to determine eligibility for the premium tax credit.

THE UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)

USERRA protects the job rights of individuals who voluntarily or involuntarily leave employment positions to undertake military service or certain types of service in the National Disaster Medical System. USERRA also prohibits employers from discriminating against past and present members of the uniformed services, and applicants to the uniformed services.

REEMPLOYMENT RIGHTS

You have the right to be reemployed in your civilian job if you leave that job to perform service in the uniformed service and:

- you ensure that your employer receives advance written or verbal notice of your service;
- you have five years or less of cumulative service in the uniformed services while with that particular employer;
- you return to work or apply for reemployment in a timely manner after conclusion of service; and
- you have not been separated from service with a disqualifying discharge or under other than honorable conditions.

If you are eligible to be reemployed, you must be restored to the job and benefits you would have attained if you had not been absent due to military service or, in some cases, a comparable job.

RIGHT TO BE FREE FROM DISCRIMINATION AND RETALIATION

If you:

- are past, or present member of the uniformed service;
- have applied for membership in the uniformed service; or
- are obligated to serve in the uniformed service;

then an employer may not deny you:

- initial employment;
- reemployment;
- retention in employment;
- promotion; or
- any benefit of employment

because of this status.

In addition, an employer may not retaliate against anyone assisting in the enforcement of USERRA rights, including testifying or making a statement in connection with a proceeding under USERRA, even if that person has no service connection.

HEALTH INSURANCE PROTECTION

- If you leave your job to perform military service, you have the right to elect to continue your existing employer-based health plan coverage for you and your dependents for up to 24 months while in the military.

IMPORTANT NOTICES

- Even if you don't elect to continue coverage during your military service, you have the right to be reinstated in your employer's health plan when you are reemployed, generally without any waiting periods or exclusions (e.g., pre-existing condition exclusions) except for service-connected illnesses or injuries.

ENFORCEMENT

- The U.S. Department of Labor, Veterans Employment and Training Service (VETS) is authorized to investigate and resolve complaints of USERRA violations.
- For assistance in filing a complaint, or for any other information on USERRA, contact VETS at 1-866-4-USA-DOL or visit its website at <http://www.dol.gov/vets>. An interactive online USERRA Advisor can be viewed at <http://www.dol.gov/elaws/userra.htm>.
- If you file a complaint with VETS and VETS is unable to resolve it, you may request that your case be referred to the Department of Justice or the Office of Special Counsel, as applicable, for representation.
- You may also bypass the VETS process and bring a civil action against an employer for violations of USERRA.

The rights listed here may vary depending on the circumstances. The text of this notice was prepared by VETS, and may be viewed on the internet at this address: <http://www.dol.gov/vets/programs/userra/poster.htm>. Federal law requires employers to notify employees of their rights under USERRA, and employers may meet this requirement by displaying the text of this notice where they customarily place notices for employees.

INITIAL COBRA NOTICE

Introduction

You're getting this notice because you recently gained coverage under a group health plan (the Plan). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it. When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become

available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

What is COBRA continuation coverage?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you're an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you're the spouse of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following

IMPORTANT NOTICES

qualifying events:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to East Buchanan C-1 School District, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary. The retired employee's spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

When is COBRA continuation coverage available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee;
- Commencement of a proceeding in bankruptcy with respect to the employer; or
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs.

You must provide this notice to: Beth Carr.

How is COBRA continuation coverage provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation

coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

Disability extension of 18-month period of COBRA continuation coverage—

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage.

Second qualifying event extension of 18-month period of continuation coverage—

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicare, Medicaid, Children's Health Insurance Program (CHIP), or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage.

IMPORTANT NOTICES

You can learn more about many of these options at www.healthcare.gov.

Can I enroll in Medicare instead of COBRA continuation coverage after my group health plan coverage ends?

In general, if you don't enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period to sign up for Medicare Part A or B, beginning on the earlier of:

- The month after your employment ends; or
- The month after group health plan coverage based on current employment ends.

If you don't enroll in Medicare and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, the Plan may terminate your continuation coverage. However, if Medicare Part A or B is effective on or before the date of the COBRA election, COBRA coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA coverage.

If you are enrolled in both COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer) and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare.

New Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved
OMB No. 1210-0149
(expires 6-30-2023)

PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit. ¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution, as well as your employee contribution to employer-offered coverage is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

1 An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60% of such costs.

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:

All employees. Eligible employees are:

- Full time employees, working a minimum of 30 hours per week on a regular basis. Employees will be effective the first of the month, following date of hire.
- Some employees. Eligible employees are:

- With respect to dependents:

- We do offer coverage. Eligible dependents are: an employee's legal spouse, an employee's disabled child (as defined by the Plan), and an employee's natural child, adopted child, or stepchild who has not reached age 26.
- We do not offer coverage.

- If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, www.healthcare.gov will guide you through the process. Here's the employer information you'll enter when you visit www.healthcare.gov to find out if you can get a tax credit to lower your monthly premiums.
